### **PASSENGERS WITH DISABILITIES, PRAMS AND STROLLERS**

Prior to booking tickets please contact East Coast Heritage Rail at [trains@3801limited.com.au](mailto:trains@3801limited.com.au) if there are passengers with disabilities in your group to discuss options.

Please be aware that the carriages on the Cockatoo Run are heritage cars and have narrow doors, aisles and walkways and are not equipped with wheel chair spaces. Because of space constraints it is impossible for Wheel chairs to be manoeuvred to seats from the entrance vestibule. It is necessary for passengers to be able to make their way to seats. Walking frames must be able to be folded as there is limited storage space and may not be stored in aisles or doorways.

Strollers and prams must be of the foldable type and fit in the luggage rack above passenger seats.
